

PRODUCT DATASHEET

TeleCare Keysafe P5

Access without any difficulties!

Explanation:

Keysafe P5 from TeleCare provides a guaranteed solution to access properties of the elderly, infirm and vulnerable people in case of emergencies. This tough, heavy-duty metal mini-safe will not open unless you know the right code.

There are three different types of Keysafe P5: 5-Key model, 10-Key model and 10-Key model with stirrup (portable).

5-Key Model

Inside (WxHxD):	55,8 x 101,6 x 15,24 mm
Outside (WxHxD):	73,66 x 127 x 50,8 mm
Weight:	0,725 kg

10-Key Model

Inside (WxHxD):	55,8 x 101,6 x 22,86 mm
Outside (WxHxD):	76,2 x 127 x 57,15 mm
Weight:	0,798 kg

10-Key Model with stirrup (portable)

Inside (WxHxD):	55,8 x 86,36 x 22,86 mm
Outside (WxHxD):	76,2 x 184,15 x 57,15 mm
Weight:	0,898 kg

Vantages:

- | | |
